- (a) All open positions that are to be filled shall be posted for a period of not less than ten (10) consecutive days prior to being filled.
- (b) A copy of the job code and organization chart shall be posted on all bulletin boards and the administration shall update the job code annually with any changes requiring prior consultation with the F.O.P.
- (c) All officers desiring to bid for such a job or jobs shall address their memorandum to the Chief of Police within that time. After the closure of the posting period, the City shall award the position in accordance with the physical fitness, ability, and efficiency of the officer to perform the job, it being understood that departmental seniority shall be the governing factor where the physical fitness, ability and efficiency to perform the job is equal. Because of the City's responsibility for the operation of the police force, it shall be the sole judge of a person's physical fitness, ability and efficiency for the job provided, however, that the City shall not act in an arbitrary, capricious, or discriminatory manner. The City has a thirty (30) day period to decide if the officer shall remain in the position.

The City shall provide an explanation and basis for its award to any unsuccessful bidder with more seniority than the successful bidder upon written request by said unsuccessful bidder.

The City shall post a list of all applicants prior to awarding the position.

- (d) The Chief and the commander of the division shall agree on the top three applicants and then interview those applicants with the President of the F.O.P. or designee, being present at the said interviews.
- (e) The provisions of this Article shall apply to transfers only.
